

Full- or Part-time Athletic Trainer

Wieber Physical Therapy is an outpatient orthopedic clinic with deep ties to our community, Faribault, MN. We are seeking an athletic trainer to help serve our 2 local high schools and a local warehouse. The majority of the position will be at the 2 local high schools where the trainer would develop an athletic training department, and if the trainer has interest, there is a possibility of creating an industrial wellness program as well. The exact role of the position would depend on the passion and skills of the trainer filling the role.

Market analysis studies have proven our compensation is in line with industry standards. We offer a competitive salary, IRA matching, CEU allowances, Employer-funded Long-term Disability, Employer-funded life insurance, PTO and Paid holidays.
