

Seeking a Full or Part Time Physical Therapist

Wieber Physical Therapy is seeking a full- or part-time physical Therapist. We are an outpatient clinic located in Faribault, MN. We currently have 10 therapists, each with their own unique set of skills and we seek to serve the community however it needs to be served. This means we have a large variety in our caseload and an ability to match each patient to their therapist. We can find a caseload that is perfect for your set of skills; we can fuel your passion.

Market analysis studies have proven our compensation is line with industry standards. We offer a competitive salary, IRA matching, CEU allowances, Employer-funded Long-term Disability, Employer-funded life insurance, PTO and Paid holidays. Just like the big names, only we work on 50-minute appointment blocks and your patients are your patients. No swapping between PTAs. Right when you walk into our lobby, you will be able to tell the energy is a little different.

Apply by sending a résumé to jniemann@wieberphysicaltherapy.com

Or by calling our office at (507)333-2986

You could even text or call Jason Niemann directly at (320)293-7192

We would love to hear from you. What is your passion? I bet we can fuel it.
